About Us	59

THE GALILEO INNOVATION APPROACH

We're on a mission to develop innovators who envision and create a better world. We do it by teaching campers to understand and apply the Galileo Innovation Approach or the "G.I.A.," as we sometimes like to call it.

MINDSET:

How do Galileo Innovators approach their work?

BE VISIONARY

- I envision a better world
- I imagine things that don't yet exist
- I believe that it is my place to turn ideas into reality

BE COURAGEOUS

- I freely share my creative thoughts
- I stretch myself to try new things
- I embrace challenges

BE COLLABORATIVE

- I value the unique perspectives of others
- I build on the ideas of others
- I use my strengths to support the work of others

BE DETERMINED

- I persevere until I achieve my goal
- I recognize setbacks as opportunities to learn
- I know that innovation and mastery require effort

BE REFLECTIVE

- I take time to think about what is and isn't working in my design
- I think about how my work impacts other people and the world
- I seek feedback to improve myself and my work

KNOWLEDGE:

What do Galileo Innovators need to understand?

CONCEPTS AND FACTS

The big ideas, principles and facts relevant to their work

HISTORICAL CONTEXT

The contributions of relevant movements, artists, scientists, designers and other experts who came before them

SKILLS AND TECHNIQUES

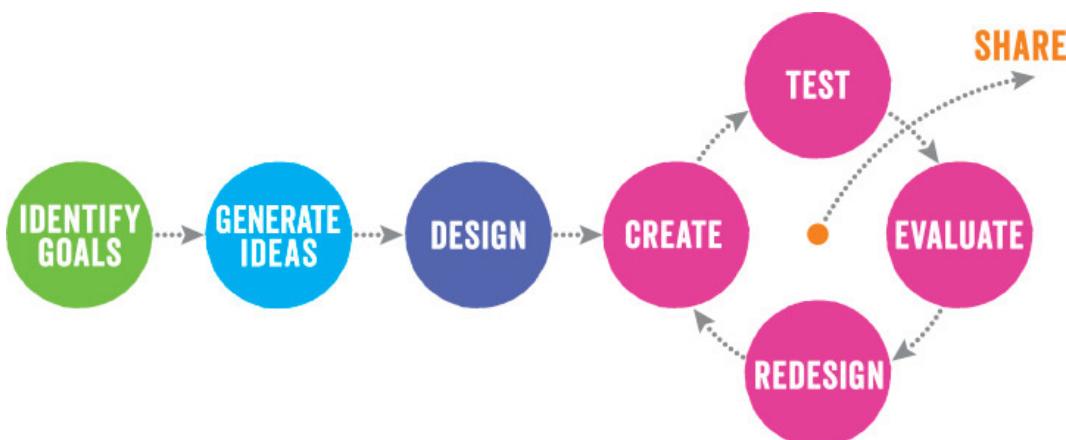

How to use the materials, tools and technology that allow them to effectively create, test and share their ideas

AUDIENCE AND ENVIRONMENT

The needs and circumstances of their users and the physical context in which their work will be received

PROCESS:

How do Galileo Innovators innovate?

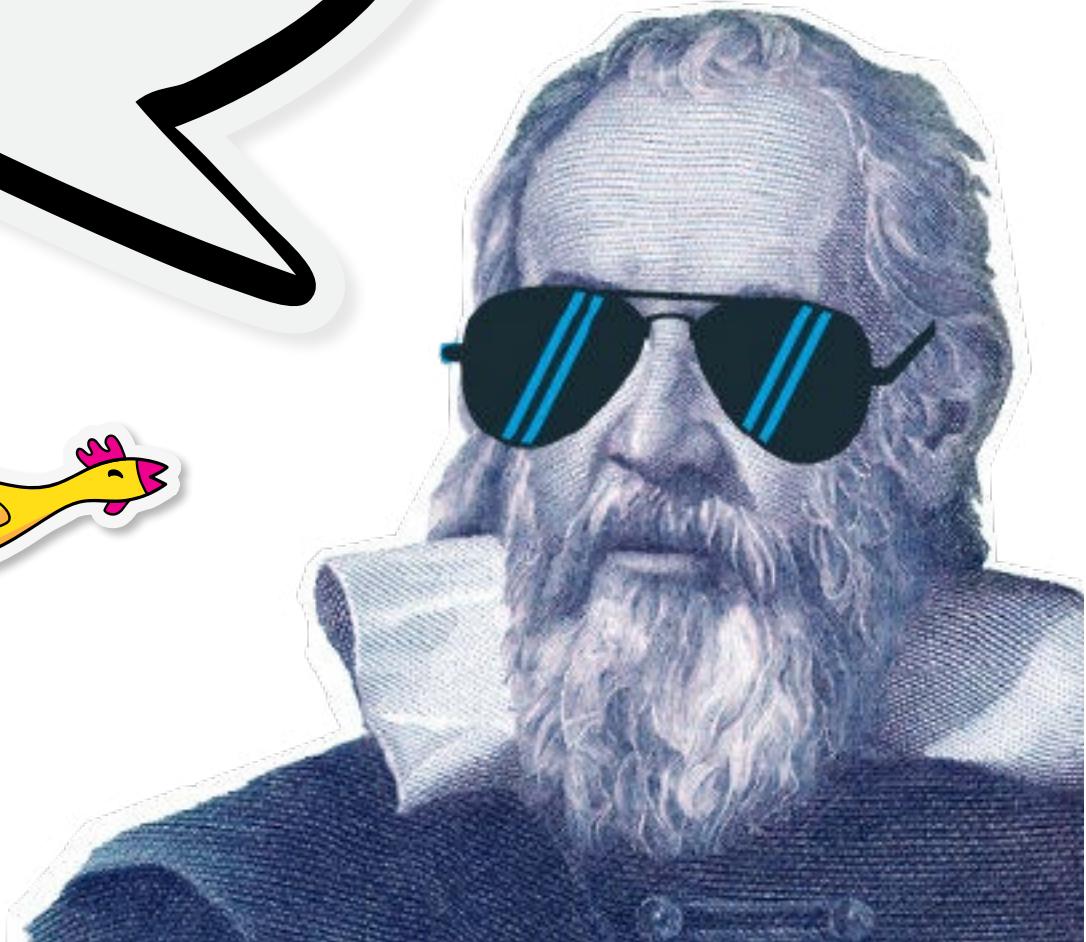

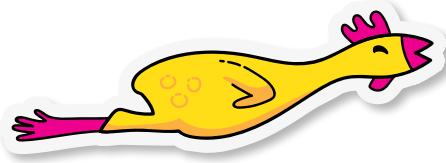

PACKET OF FUN!

BE DETERMINED

- Understand that setbacks are an opportunity to learn
- Embrace that innovation and mastery take effort
- Persevere until they reach their goal

CAMP **galileo** ANYWHERE

BE DETERMINED!

Fill in the speech bubbles with how you (or anyone in your house) is being determined this week.

BE DETERMINED!

FIND: 13 STARS, A VOLCANO, 7 ANIMALS, 7 LEAVES, 15 EYES

If you can't find these objects at first, try using some of these strategies:

- Turn your paper upside down or sideways to look at it from a different angle and perspective.
- Take a break and come back to it after a short while.
- Color objects you've already found to help you look for new ones more easily.

THE SEARCH FOR INNOVATION

Your Mission:

Find and circle the words in the word bank! Once you've found all the words, pick three of the ideas from the word bank to practice before you go to bed tonight.

For example: Brainstorm new layouts for your bedroom, be collaborative with your family to complete household chores, and set a new goal for tomorrow!

K A J S V I S I O N A R Y J X
L U L H F X A Q E B R K F D G

CAMP THEMES CROSSWORD

Your Mission:

Complete the crossword puzzle below. Each of the clues reveals a word that connects to one of Camp Galileo's 2020 Summer Themes. Can you remember them all?

Down:

1. An individual who participates in sports
2. What's awarded to you on a podium
3. California's home to "El Capitan," "Half Dome," and "Sentinel Rock"
6. A Camp Director's best friend
11. Five of these from the official Olympics logo
12. A group of people working together to achieve a goal

Across:

4. Move your hips in a circle to keep this spinning
5. A person in charge of protecting and preserving parks
7. A programmable machine that carries out human tasks
8. An activity that involves spending the night in the great outdoors
9. Wyoming's home to more geysers and hot springs than anywhere on Earth
10. A fiery object carried through a relay to start the Olympic games
13. Uninhabited land covered by untouched nature
14. A spring-like toy that can go down the stairs
15. A toy that packs a big surprise

SEASONAL WORD SCRAMBLE

Your Mission:

Unscramble each clue word. Copy the letters in the numbered boxes to the matching numbered boxes at the bottom to find out what your camp mascot becomes.

THE INNOVATOR'S SCAVENGER HUNT

Step 1: Be Courageous

Embrace a new challenge by going around your home to collect the items on the list below. Remember where you find them.

- 3 books of different sizes
- 5 blue objects
- 10 items smaller than your hand but bigger than your thumbnail
- 1 item of clothing
- 2 things that could be found in nature

Step 2: Be Visionary

Imagine something that does not yet exist. Once you've found everything on the list, use your collection to create a picture on the floor.

Step 3: Be Collaborative

Ask someone else at home if they can tell what your picture is and ask for their ideas to make it even better (you can add more objects if you want!).

Step 4: Be Reflective

How did you choose to make that picture? What object inspired you most? How did that someone else sharing their ideas improve your picture?

Step 4: Be Determined

Time to embrace one last challenge. Set a timer for 3 minutes and put all the objects back where they came from before the timer runs out!

WRITE TO THE RUBBER CHICKEN

The Rubber Chicken has been spreading a lot of time cooped up recently. They have already counted all of their feathers and now they don't know what to do next!

Help the rubber chicken hatch some new ideas for how to pass the time.

Write a letter, draw a picture or do both!

Send to:

Rubber Chicken | Camp Galileo

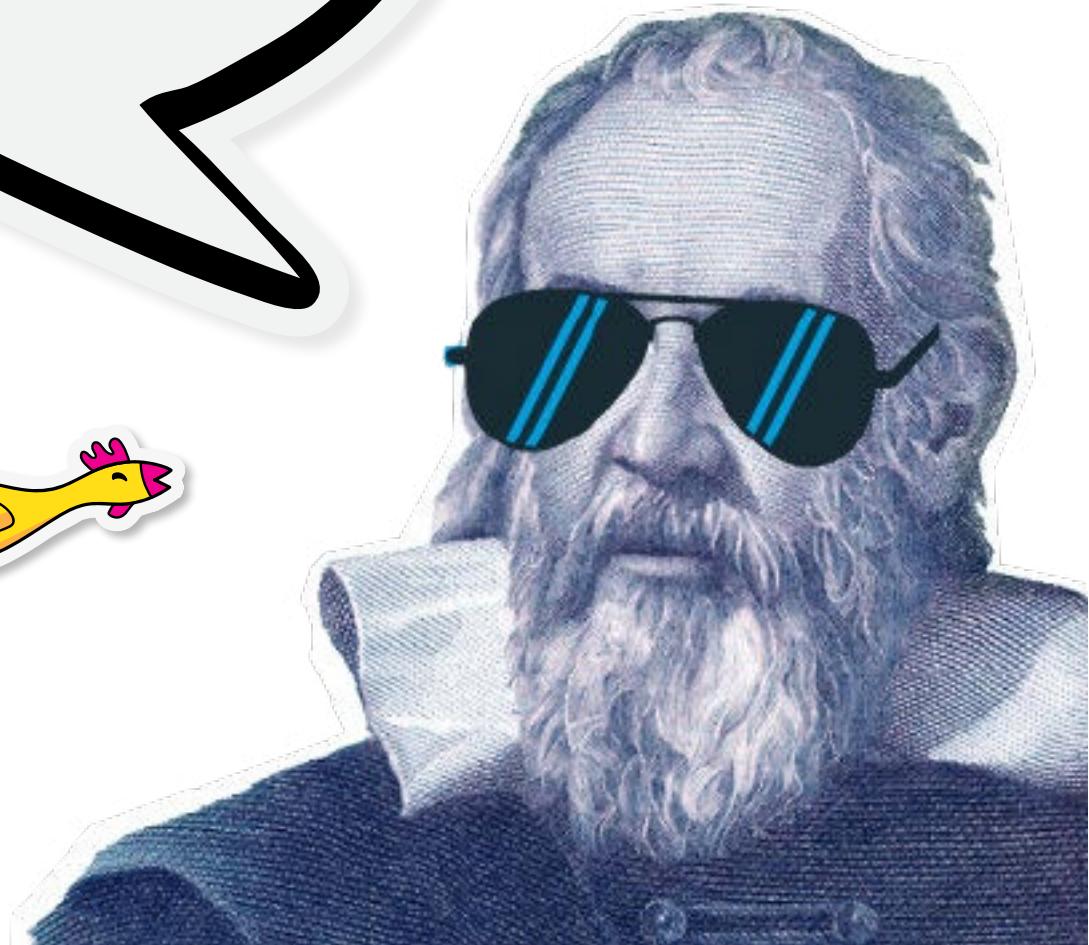

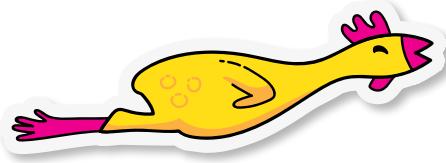

rubberchicken@galileo-learning.com

PACKET OF FUN!

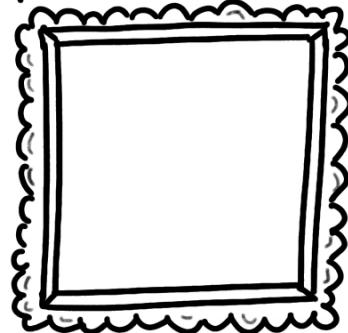

BE COLLABORATIVE

- Value others' perspective and ideas
- Build on others' ideas
- Use their own strengths to help others' work come to fruition

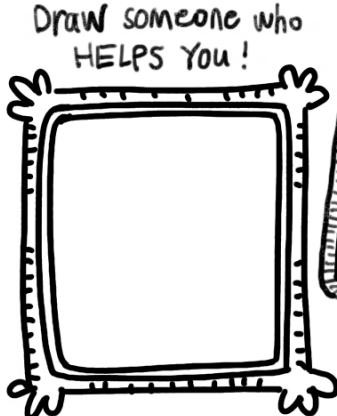

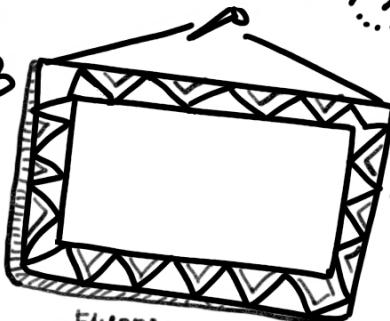

GALLERY OF Collaboration

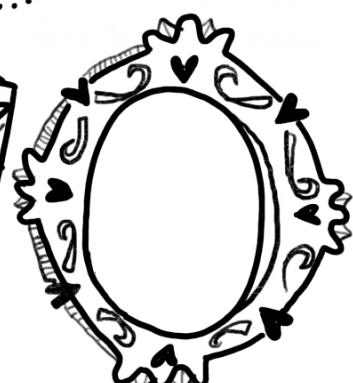

CREATE A COSTUME
FOR RUBBER CHICKEN.

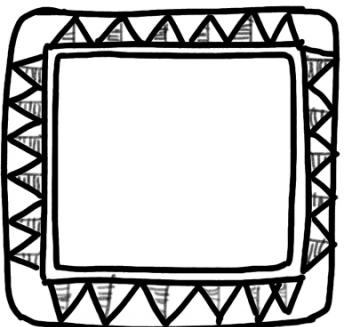

Draw someone who
HELPS YOU!

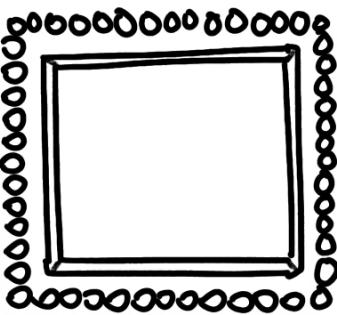

FAVORITE FOOD!

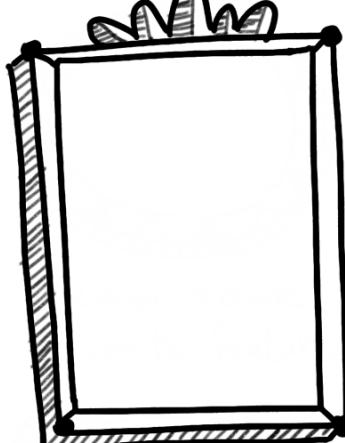

DESIGN A HAT!

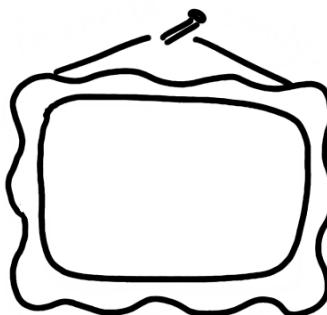

DRAW AN ANIMAL!

DRAW SOMETHING
you like to do outside.

DRAW YOUR FAMILY!

DRAW YOUR
FAVORITE PLACE.

How have you (or anyone in your house) been collaborative? Fill in the empty lines.

SONG TITLE: DONUT SHOP

[Click Link to View Online:
youtu.be/Vha2TZHarnY](https://youtu.be/Vha2TZHarnY)

Well..

I walked around the corner and I walked around the block

And I ran right into the donut shop

Oh, I picked up a donut and I wiped off the grease

And I handed the lady my five cent piece

Well, she looked at the nickel and she looked at me

And she said “This money is no good, you see”

“There’s a hole in the middle and it goes right through”

And I said there’s a hole in your donut, too!

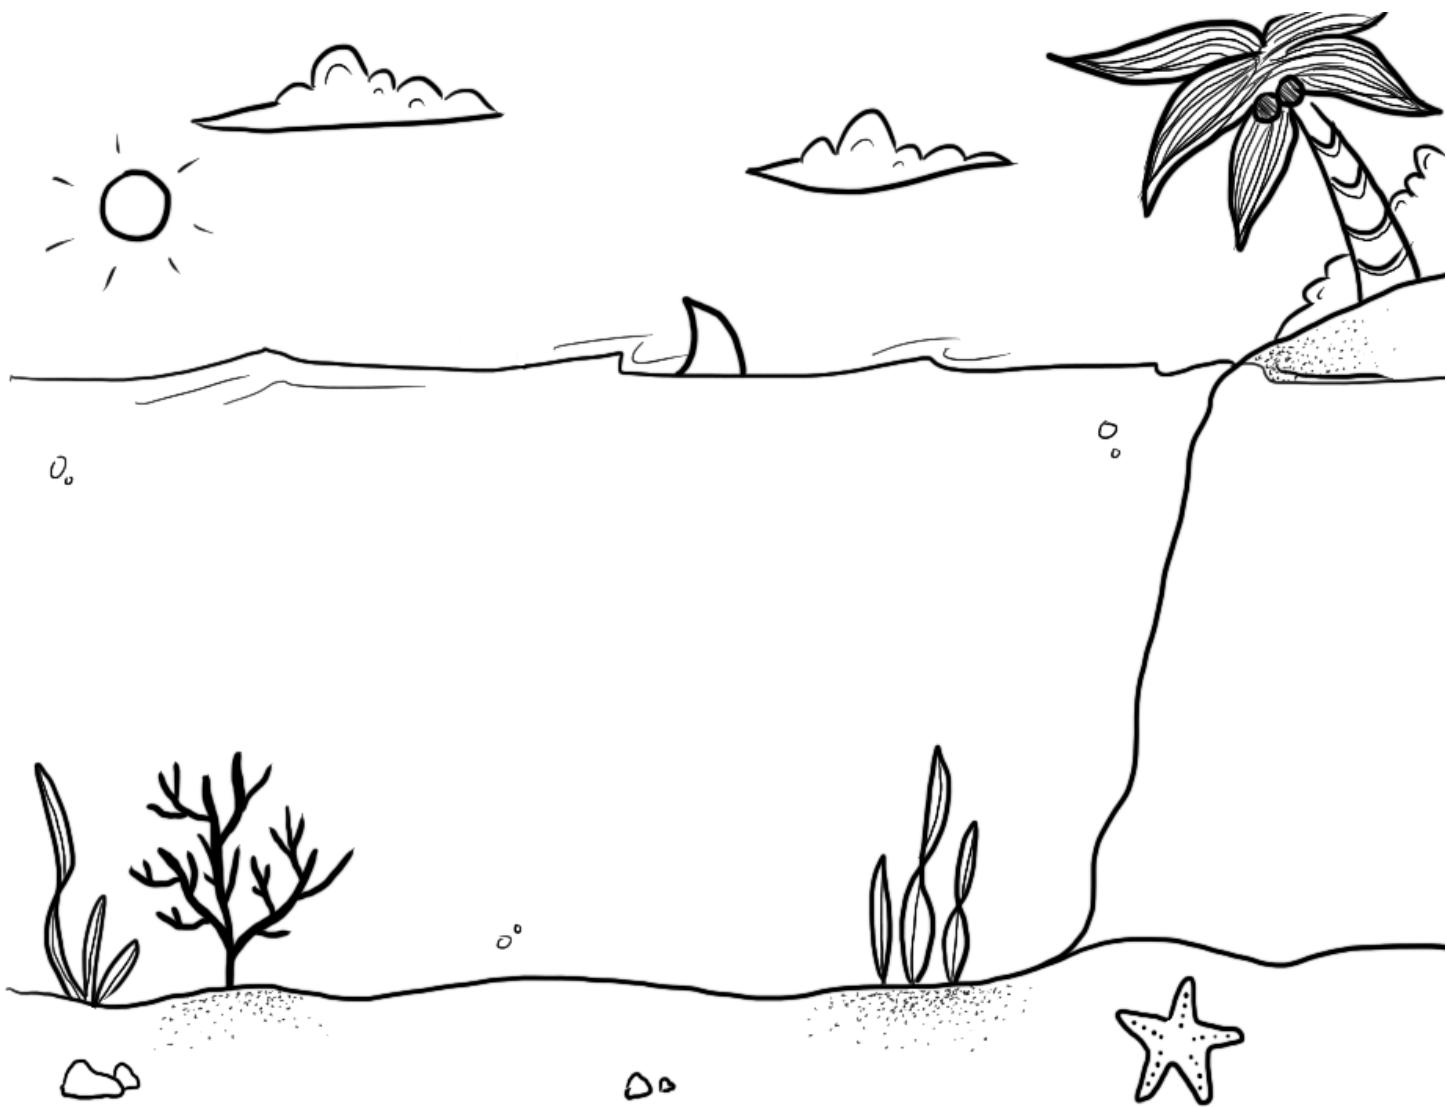

Thanks for the donut, so long!

BE COLLABORATIVE: BUILD ON THE IDEAS OF OTHERS

Your Mission:

BE COLLABORATIVE by building on the starter picture to create an underwater scene.
What ideas can you add to make the picture even better?

INNOVATE ON! Get a blank paper and make a collaborative drawing with someone else. One person can start and the other can finish or you can pass the paper back and forth to build on each other's ideas as you go.

BUILD ON THE IDEAS OF OTHERS

Your Mission:

Use these story starters to start your own story! If you can collaborate with someone at home, build ideas together or alternate writing sentences. If you have a friend you can collaborate with on the phone or computer, collaborate with them by taking turns typing sentences to each other or writing down what they say on the phone!

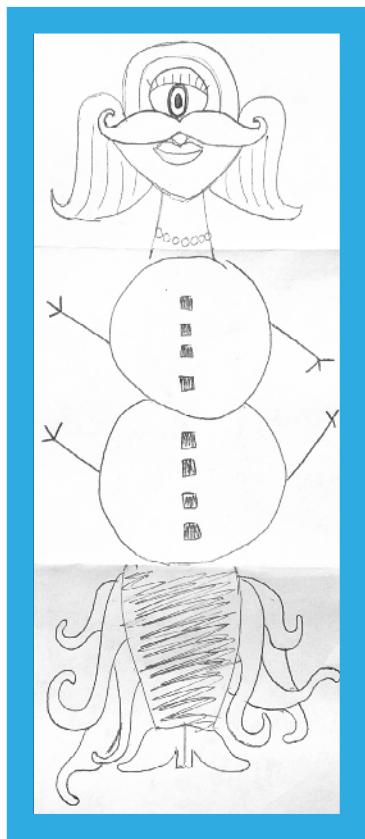

Story Starters:

1. **It started out like any other day, I rolled out of bed and looked out the window. I couldn't believe what I saw outside!**
2. **There once was a silly rubber chicken with magical powers.**
3. **Long ago in a far away place, there lived a wise, old man named Swerlin.**

EXQUISITE CHICKEN

Collaboration is a key part of being an innovator. When we build off the ideas of others, we're often able to create something we could never do alone! Let's test your **collaboration** skills with a fun drawing game, Exquisite Chicken! You need 3 **collaborators** for this activity!

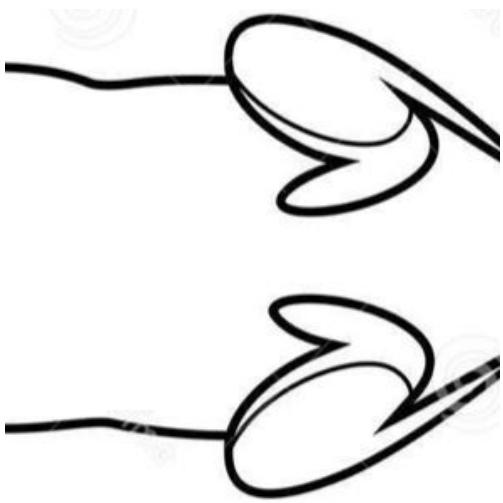

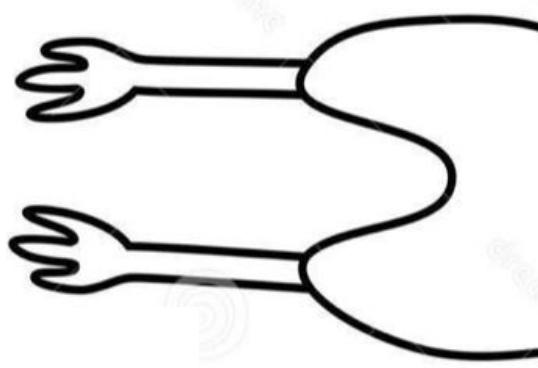

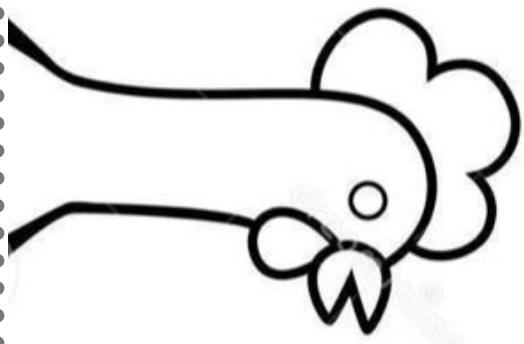

1. **Cut along the solid line to get 3 individual strips.**
2. **Fold the strips on the dotted lines.**
3. **Each person takes turns drawing a different section, starting at the head!**
4. **When finished with the head, fold it behind so that it's hidden, and then pass it to the person next to you to draw the torso!**
5. **Repeat steps 3 & 4 to complete the legs of the creation.**
6. **Marvel at your collaborative masterpiece!**

After you finish drawing, collaborate and give them a name! What's their favorite type of pizza? Where do they live? Work together to come up with a story!

We want to see your collaborations!

Take a picture, and sent it to us at rubberchicken@galileo-learning.com!

CREATE A KOOKY CHARACTER

Take turns with your partner filling out the blanks for one character. When you're done, draw your own versions of the character you just created. Then, share and recognize each other for the awesome different ideas you had about how to draw the same thing!

Character 1- Draw a...

_____ wearing a _____
(animal) (color)

_____ hanging out at _____.
(piece of clothing) (place)

Character 2- Draw a...

_____ -headed _____ monster
(number) (food)

that is playing _____ against a _____.
(sport) (animal)

Character 3- Draw a...

_____ (a dream job) _____ (action ending in -ing)

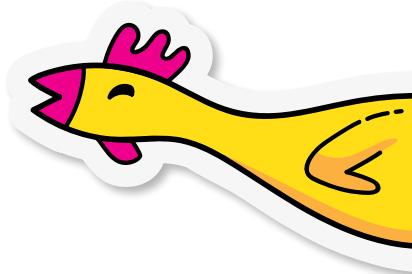

through a forest of _____
(texture- how something feels to touch)

_____ s.
(object in your bedroom)

THE WEEKLY CRACK UP

Jokes, riddles, and more—guaranteed to make even the most grumpy chicken bok!

What Am I?

I'm found on a farm, but I'm not a tractor. I can be roasted, but I'm not a peanut. I have feathers, but I'm not a pillow. I'm fowl, but I'm not disgusting. I lay eggs, but I'm not an ostrich.

What am I?

Check back next week for the answer!

Why did the elephant cross the road?

It was the chicken's day off!

What do you call a mischievous chicken?

A practical yolk'er!

What did the chicken say when they bumped into their friend?

Egg-scuse me!

How does a chicken leave the building?

It uses the eggs-it!

How does a chicken wake up in the morning?

It uses an alarm cluck!

How does the chicken send mail?

In a hen-velope!

What do you call a chicken that tells jokes?

A comedy-hen!

Why was the chicken laughing?

Because the jokes crack it up!

Have a joke? Submit it to rubberchicken@galileo-learning.com!

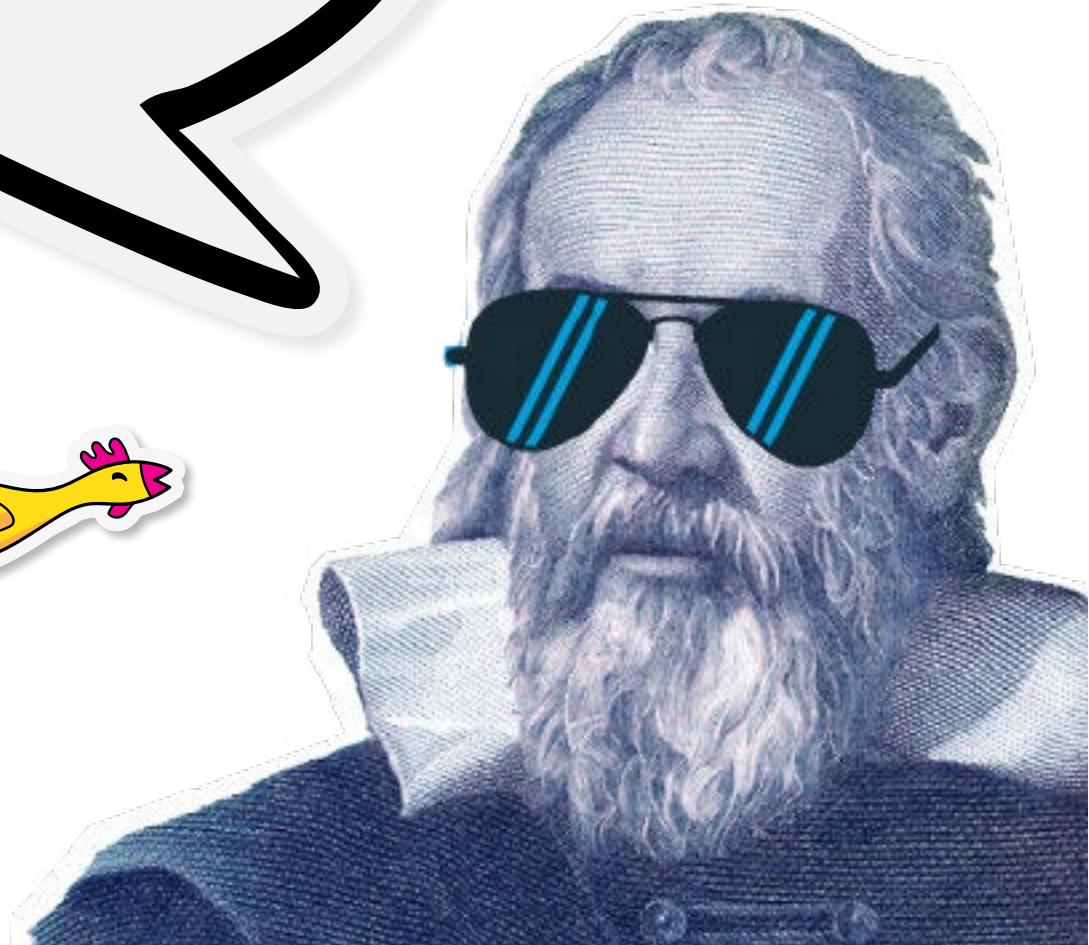

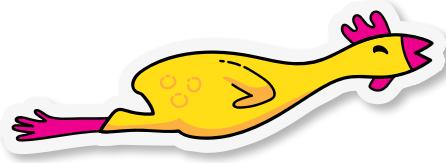

CAMP galileo ANYWHERE

PACKET OF FUN!

BE VISIONARY

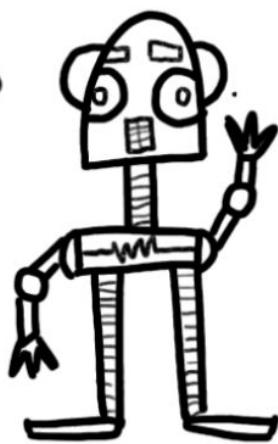

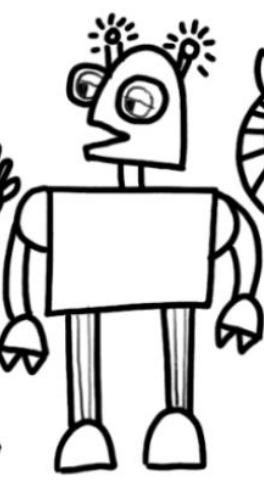

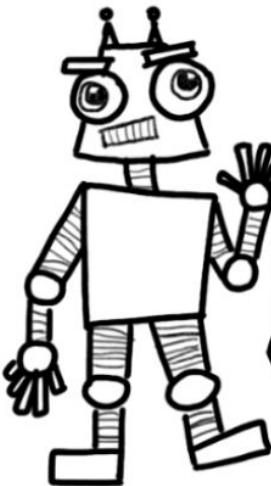

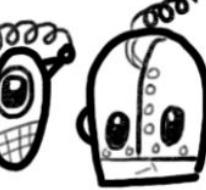

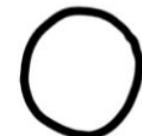

- Have a “Why”—Envision a better world
- Imagine things that don’t exist
- Believe they can turn ideas into reality

INNOVATIVE ROBOT

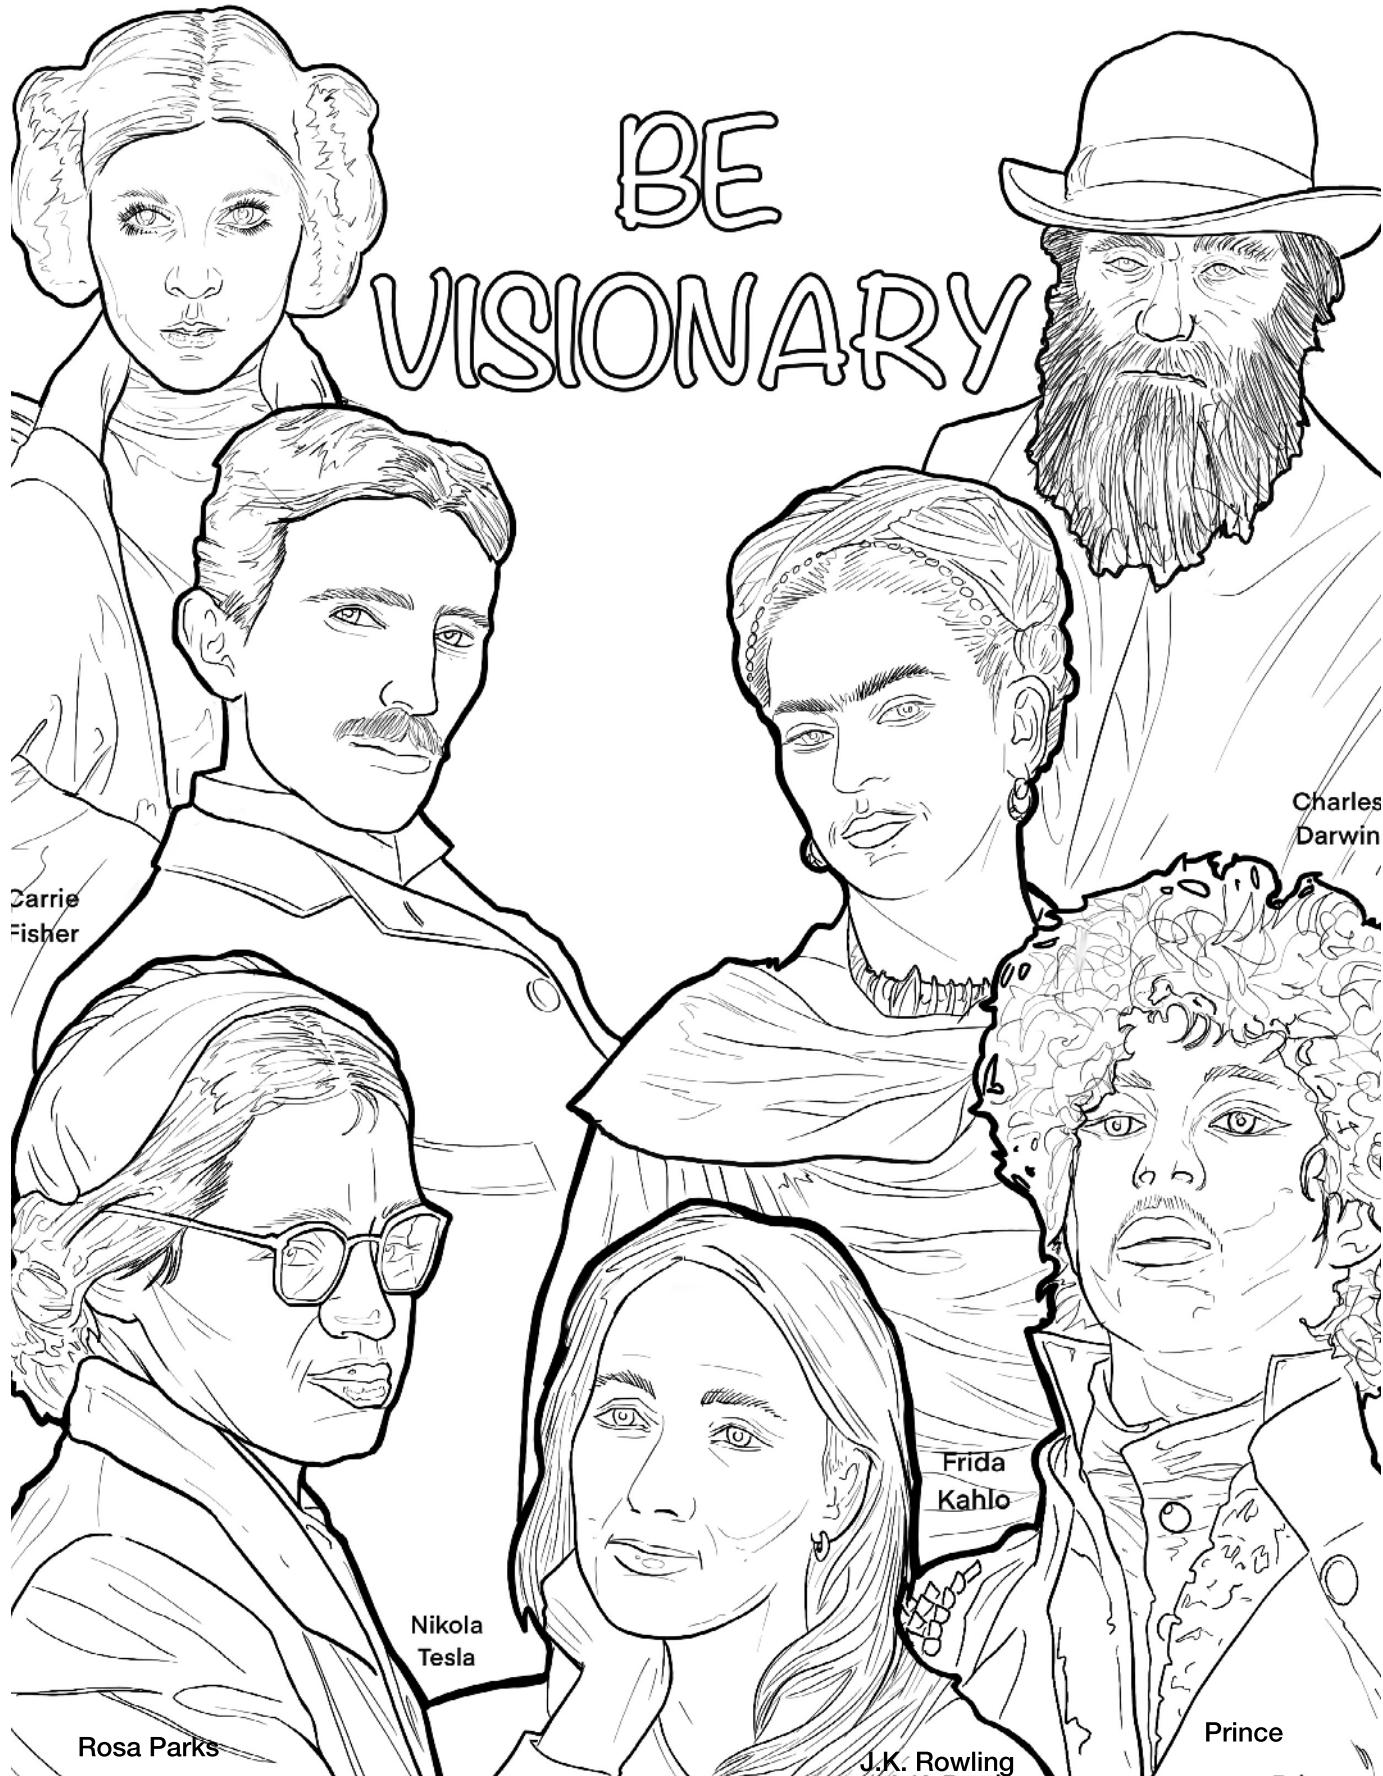

BE VISIONARY and create a robot using the shapes and details below.

How have you (or anyone in your house) been visionary this week? Fill in the lines below.

CAMP galileo ANYWHERE

CAMP SONG: **HEY BURRITO!**

This is a repeat-after-me song! The person leading the song will sing the **BOLD** words and campers or anyone following along will repeat right after!

[Click Link to View Online:](#)

Hey Burrito
Hey Burrito

Hey, hey, hey burrito
Hey, hey, hey burrito

Mmm yeah, burrito, yeah
Mmm yeah, burrito, yeah

Taco Bell, Taco Bell
Taco Bell, Taco Bell

Guacamole, cinnamon twist
Guacamole, cinnamon twist

Mild sauce
Mild sauce

Medium sauce
Medium sauce

Hot sauce
Hot sauce

Fire sauce
Fire sauce

INNOVATE ON! Repeat this song as many times as you like, in as many styles as you like. One of our favorites is “Robot Style” where you sing it like a robot!

INVENTION CONVENTION

Your Mission:

An **invention** is a device or creation that solves a problem in a new way. To create an invention, you first need to identify a problem to solve. An invention can solve a new problem or can improve on something that already exists. We challenge you to be visionary and think about creative ways to solve a challenge in your life.

STEP 1: Generate ideas for a challenge you would like to solve. An example could be “putting on my socks in the morning” or “reaching a book on the top shelf.”

When you’re done, circle the one you want to design an invention for!

STEP 2: Design a prototype of an Invention that could solve the challenge you chose.

A Prototype is a model of something you want to create; it’s not meant to be perfect. It’s meant to help you get your ideas together and create a starting place from which you can build. Sketch 2-3 designs of your invention prototype:

CAMP **galileo** ANYWHERE

INVENTION CONVENTION

STEP 3: Create your invention prototype. Using your sketches above, decide on one design you want to call your invention. It can come from just one of your sketches, or you can combine parts of each of them to create it! Draw your final invention in the box when you're done.

Invention Title: _____

How does your invention solve the challenge you chose?

INNOVATE ON! Using craft supplies from your home (even with just paper and tape!), bring your prototype sketches to life! This might not be a fully functional prototype, but you can experiment with how you might build your invention in real life!

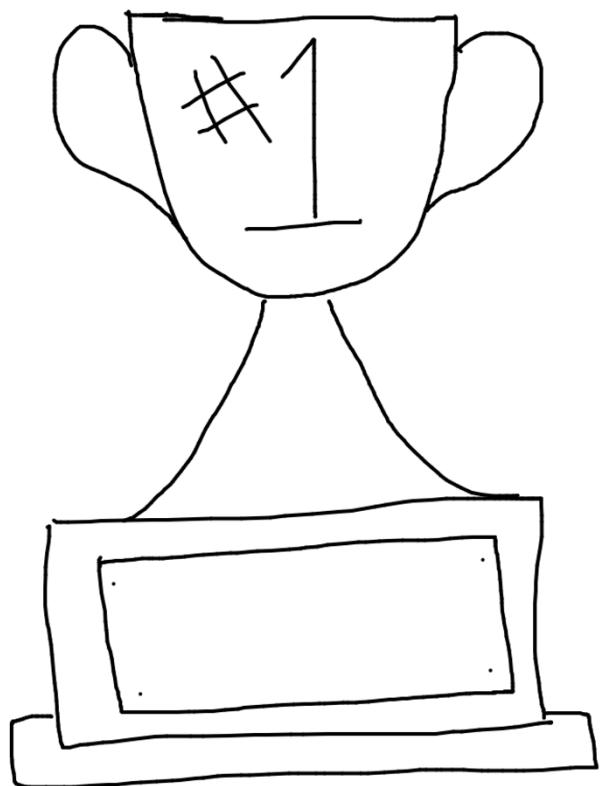

VISIONARY AWARDS

Your Mission:

Is there a **VISIONARY** person in your life that you'd like to recognize? Create an award for them and present it to them! You can send them a picture, show them on Zoom, or give it to them in person if you're able.

REMEMBER! Being Visionary is:

- **Envisioning** a better world
- **Imagining** things that don't exist
- **Believing** you can turn ideas into reality

Stuck on what style of award you want to design? Why not try a trophy (pictured here), a medal, or a certificate! You can simply draw them on a piece of paper OR find things around your house to build them. For example, all you need for a simple medal is a piece of paper cut into a circle (or a visionary shape of your choosing), and a piece of string! You can even include WHY you think they are so visionary.

INNOVATE ON! Create other awards for family and friends that you think deserve some recognition!

RUBBER CHICKEN STYLE

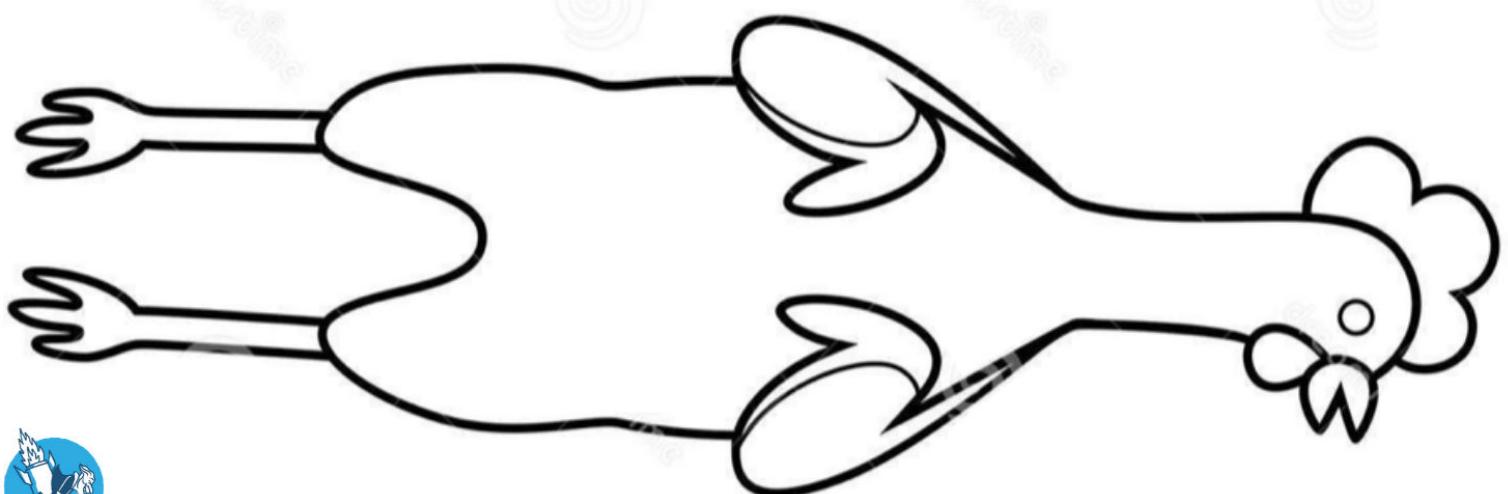

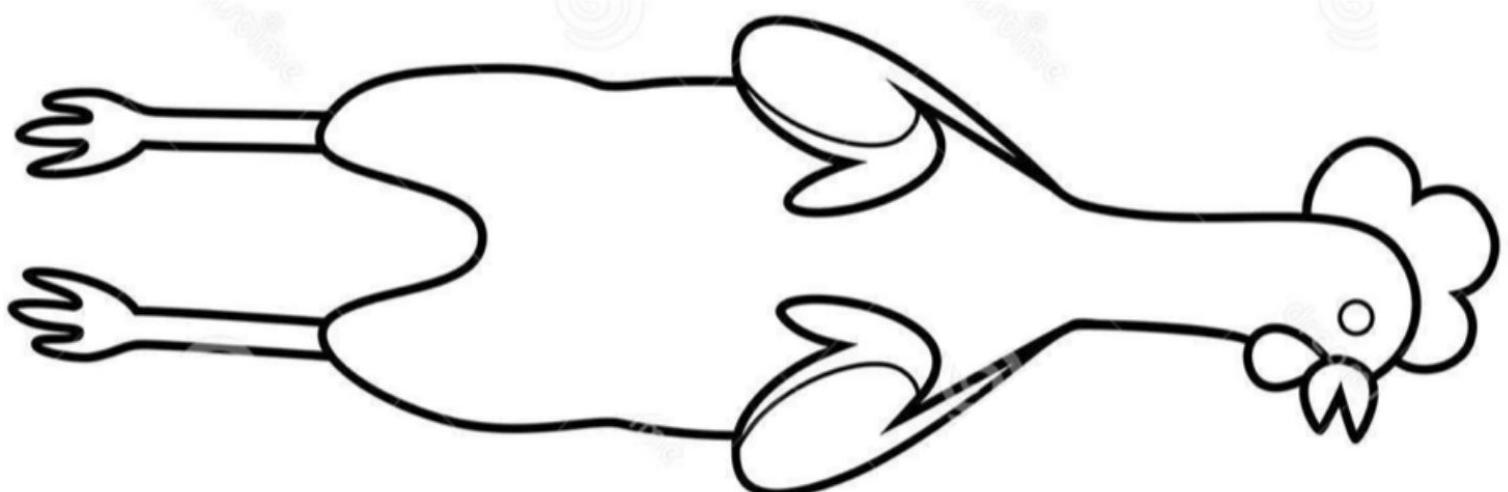

Your Mission:

Design and create a personality and story for our mascot, the Rubber Chicken! Use the blank chicken canvases below and your **VISIONARY** ideas to create outfits for up to three chickens in your story. Think outside of the box and dress your chickens up in clothes (shirt, pants, wizard robe), accessories (hat, jewelry, magical stuff), and maybe even add a sidekick (baby chick, unicorn, dragon)!

Generate Ideas! Use this outline to figure out what each chicken's personality will be.

Chicken 1	Chicken 2	Chicken 3
Chicken's name:	Chicken's name:	Chicken's name:
Favorite color(s):	Favorite color(s):	Favorite color(s):
Three words that describe their personality:	Three words that describe their personality:	Three words that describe their personality:
Favorite place to travel:	Favorite place to travel:	Favorite place to travel:
Favorite food:	Favorite food:	Favorite food:
Job or activity they love to do:	Job or activity they love to do:	Job or activity they love to do:

Design your chickens using the chicken canvases on the next page!

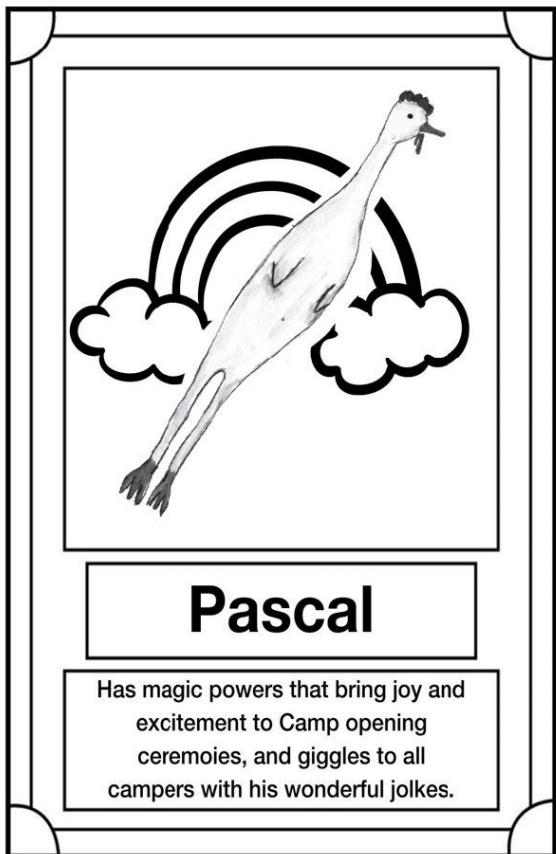

DESIGN YOUR OWN MASCOT TRADING CARD

Your Mission:

Galileo's mascot, the Rubber Chicken (RC), has special magic powers - it can make campers ooh and ahh, and brings joy to every space it enters. RC helps out at camp in so many ways and is a special part of the camp community. Use your **VISIONARY** powers to create a mascot of your very own! Generate ideas on who your mascot would be and why, and then draw it out in the trading card template to create your very own mascot trading card! We have an example of Pascal the RC's trading card to help you.

Generate Ideas:

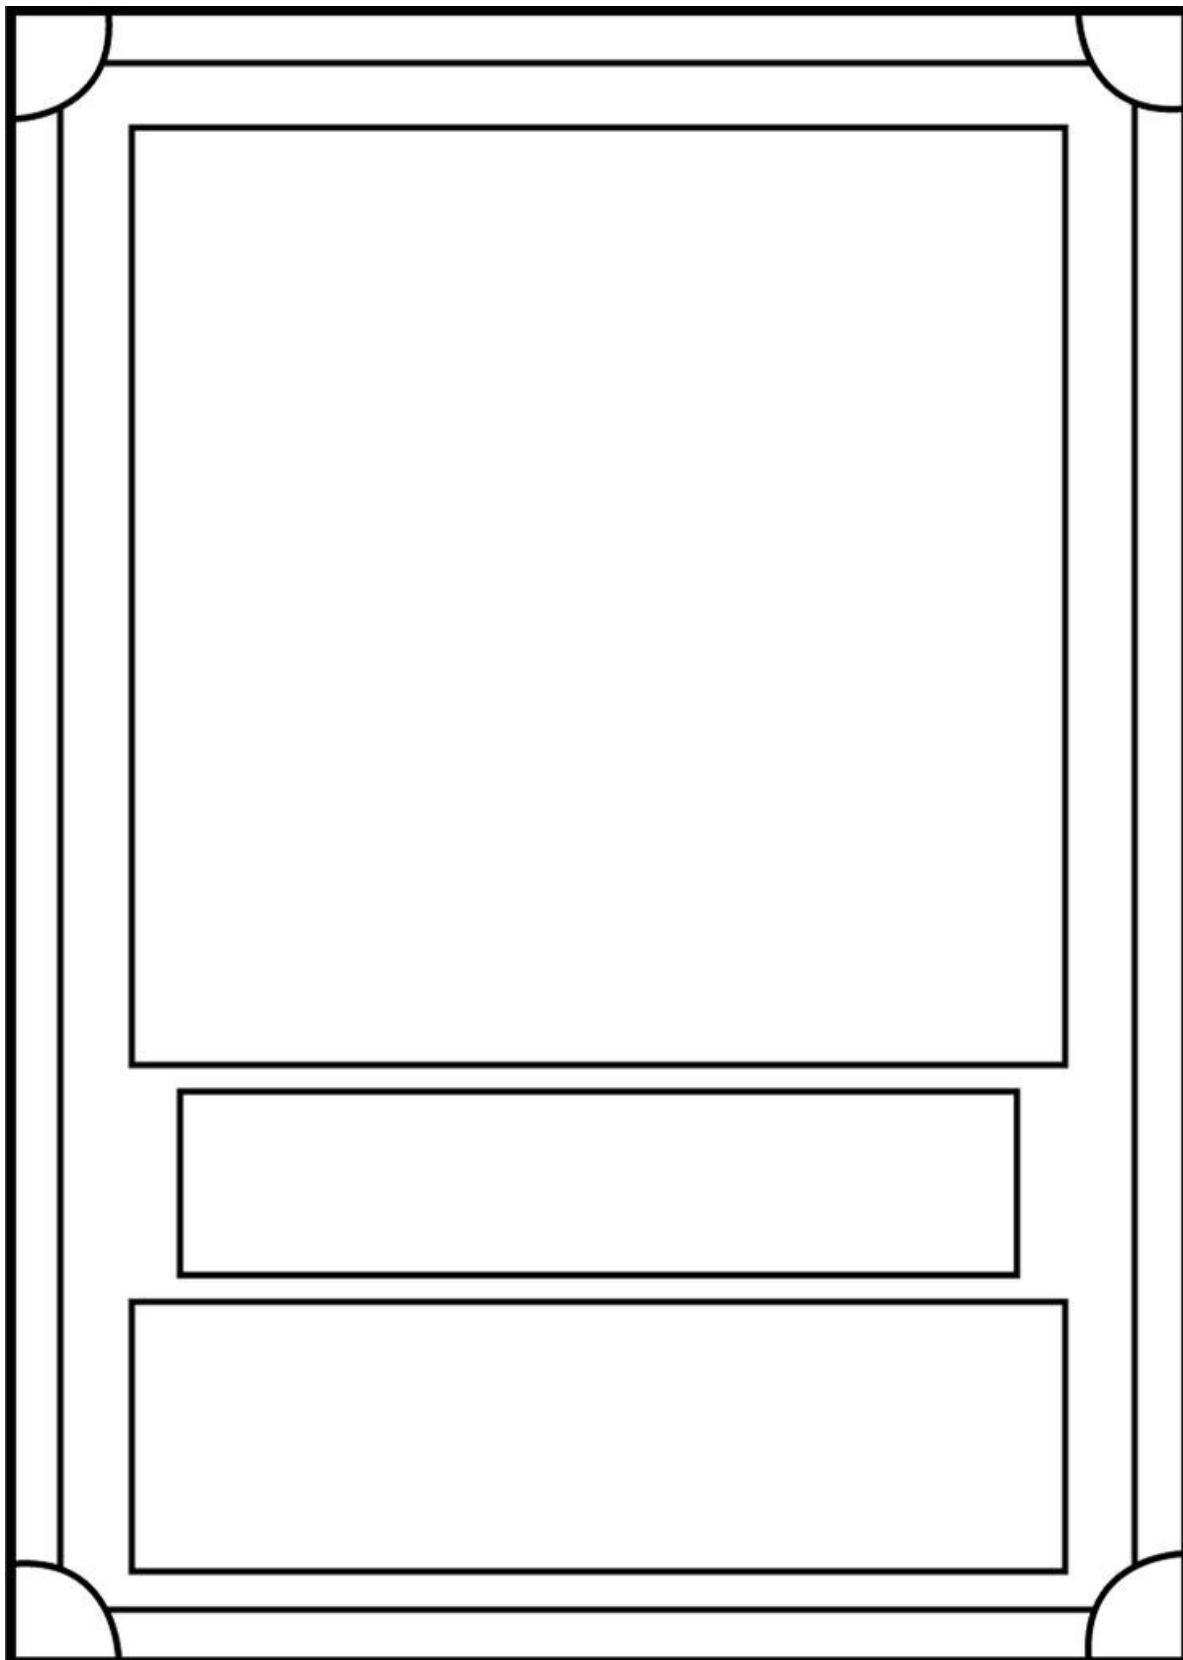

- Is it an animal, person, character or a creature never seen before?
- What kind of special powers does it have?
- What is its name?
- How does it support your home/community as a mascot?

Mascot Brainstorm:

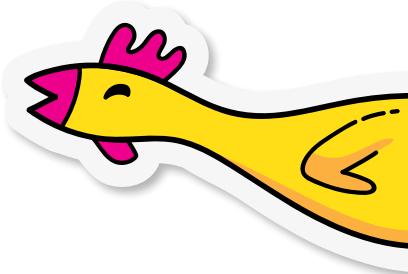

CAMP **galileo** ANYWHERE

THE WEEKLY CRACK UP

Jokes, riddles, and more—guaranteed to make even the most grumpy chicken bok!

What Am I?

I come in a pair and you will need to tie and untie me. Don't go outside without me and take me off before you go in the water. I come in a useful box.

What am I?

Check back next week for the answer!

What's a pirates favorite letter?

Arrrrrrr!

Why did the kids go to science school on the mountain?

To get a higher education!

What did one volcano say to the other?

I lava you!

How do you throw a party in space?

You planet!

Last Week's Answer: A Chicken!

I'm found on a farm, but I'm not a tractor. I can be roasted, but I'm not a peanut. I have feathers, but I'm not a pillow. I'm fowl, but I'm not disgusting. I lay eggs, but I'm not an ostrich.

What am I?

What did one firefly say to the other?

You glow girl!

What did the left eye say to the right eye?

Between us, something smells!

What stays in the corner yet can travel all over the world?

A stamp!

Can February March?

No, but April May!

Have a joke? Submit it to rubberchicken@galileo-learning.com!

CAMP SONG: PRINCESS PAT

[Click Link to View Online:](#)

youtu.be/8MYTxCwl_m8

Note This is a repeat-after-me song! The person leading the song will sing the **BOLD** words and campers or anyone following along will repeat right after!

The princess Pat, (the princess Pat)

Lived in a tree, (lived in a tree)

She sailed across, (she sailed across)

The seven seas, (the seven seas)

She sailed across, (she sailed across)

The channel two, (the channel two)

She took with her, (she took with her)

A rig-a-bamboo, (a rig-a-bamboo)

A rig-a-bamboo, (a rig-a-bamboo)

Now what is that? (now what is that?)

It's something made, (it's something made)

By the princess Pat, (by the princess Pat)

Its red and gold, (its red and gold)

And purple too, (and purple too)

That's why it's called, (that's why it's called)

A rig-a-bamboo, (a rig-a-bamboo)

Now Captain Jack, (now captain Jack)

Had a mighty fine crew, (had a mighty fine crew)

He sailed across, (he sailed across)

The channel two, (the channel two)

But his ship sank, (but his ship sank)

And yours will too, (and yours will too)

If you don't take, (if you don't take)

A rig-a-bamboo (a rig-a-bamboo)

A rig-a-bamboo, (a rig-a-bamboo)

Now what is that? (now what is that?)

It's something made, (it's something made)

By the princess Pat, (by the princess Pat)

Its red and gold, (its red and gold)

And purple too, (and purple too)

That's why it's called, (that's why it's called)

A rig-a-bamboo, (a rig-a-bamboo)

THE SEARCH FOR INNOVATION

Your Mission:

Find and circle the words in the word bank! Once you've found all of the words, pick 3 of the ideas from the word bank to practice at home!

Example: Try something new today, show a talent to someone in your house, and celebrate a mistake you made!

T	N	I	E	W	C	F	N	G	I	S	E	D	E	R

Call to Courage

Being courageous is one of the most important parts of being an innovator. Putting yourself out there allows you to take the risks you need to help make your visions come to life!

Here are some courageous tasks you can do around the house to help grow your inner innovator. You can do these with a collaborator or try to complete them on your own!

Send pictures of you completing your courageous tasks to rubberchicken@galileo-learning.com to be featured!

Call to Courage

Never liked a certain food? Try it again! See if you can use the foods in your pantry to make a snack for your entire family!

Sometimes being brave means showing those around you that you care. Tell a family member everything you admire about them!

Spread joy across your community! Create a design or message to put in your window that brightens up your neighbor's day!

Create a performance to show your family after dinner. Costumes, music, and props recommended! Be courageous and put yourself out there!

CODES AND CIPHERS

Your Mission:

It is time to get CRACKING on some cool codes! A code or cipher is a system of words, letters, figures, or other symbols that take the place of other words or letters. They can be used to help people pass secret messages! Most codes are solved using a key, which is a set of information or a rule that helps you to understand how the code works. Try solving these messages below created by our mascot, the Rubber Chicken!

All of the answers are on the last page of the Packet of Fun.

Transportation Cipher

The letters of the alphabet are rearranged based on a key or rule. For example, all the words are written backwards, or every pair of letters is swapped.

Try to solve this!

LACIGAM REBBUR SNEKCIHC

Word Scramble

A word scramble doesn't always have to be the same amount of words as the descrambled answer! For these, words are jumbled up so the letters are out of order.

Try to solve this!

YFL EHT EIKNCCH OCOP

Number Code

Use numbers to figure out the letter in these puzzles.

Try to solve this!

18 21 2 2 5 18 3 8 9 3 11 5 14,
20 8 5 7 1 12 9 12 5 15
13 1 19 3 15 20

Key:

A = 1	B = 2	C = 3	D = 4	E = 5
F = 6	G = 7	H = 8	I = 9	J = 10
K = 11	L = 12	M = 13	N = 14	O = 15
P = 16	Q = 17	R = 18	S = 19	T = 20
U = 21	V = 22	W = 23	X = 24	Y = 25
Z = 26				

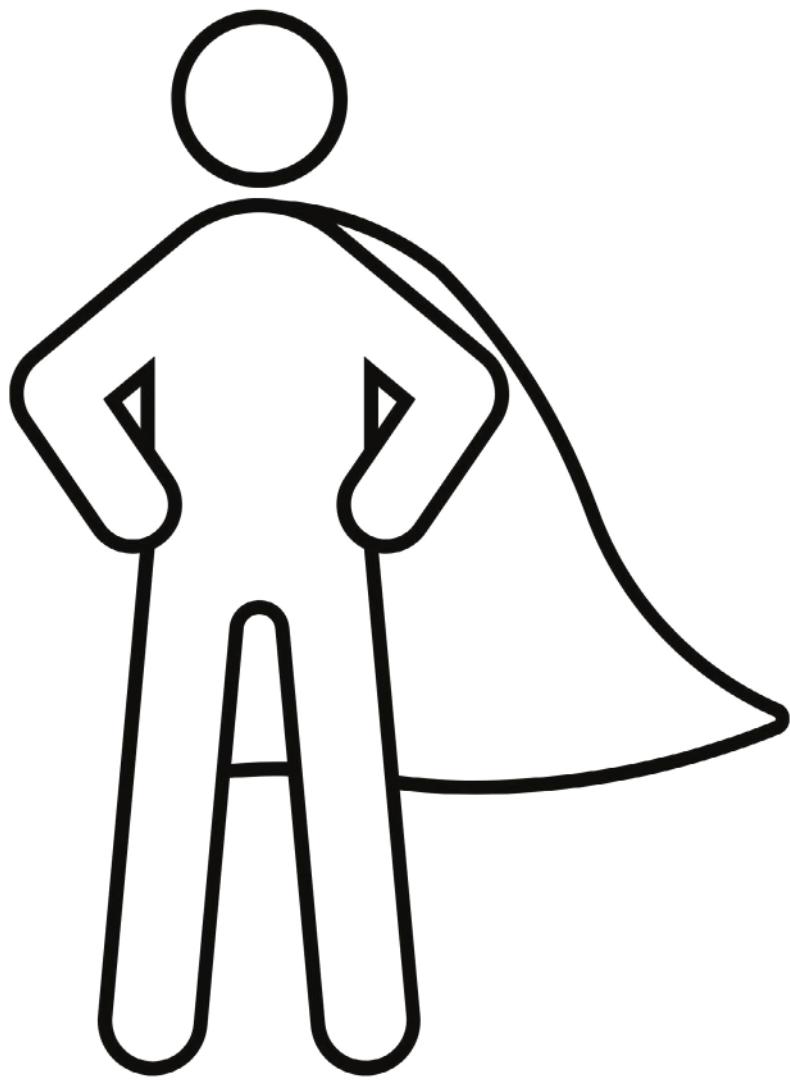

INNOVATE ON! Make some of your own codes for your family and friends to try and crack!

YOU'RE A SUPERHERO

Your Mission:

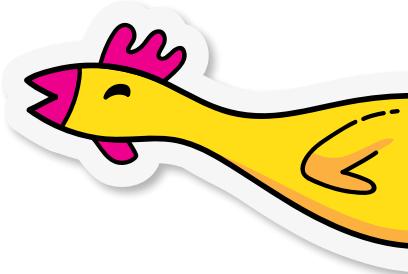

We know that being a superhero takes **COURAGE**. Use the space below to draw yourself as a superhero! Imagine what superpowers you would have and what your costume would look like. Maybe you have a sidekick that helps you or a special way to get around (like a plane)!

THE WEEKLY CRACK UP

Jokes, riddles, and more—guaranteed to make even the most grumpy chicken bok!

What Am I?

Children love to play with me but not inside, only out. Watch out for wires and trees, for you could tangle me! Look up and watch me dance.

The faster you run, the faster I will wiggle!

What am I?

Check back next week for the answer!

How do you know if there's a dinosaur in the refrigerator?

The door won't close!

What do dinosaurs use to make their hot dogs?

Jurassic Fork!

What's a T-Rex's favorite number?

Atel!

Which dinosaurs make the best police officers?

Tricerat-cops!

Last Week's Answer: Shoes!

I come in a pair and you will need to tie and untie me. Don't go outside without me and take me off before you go in the water. I come in a useful box.

What am I?

What dinosaurs jump higher than a house?

All of them—houses can't jump!

What do you call a tired T-Rex?

A dino-snore!

What do you get when dinosaurs crash their cars?

Tyrannosaurus wrecks!

Why did the dinosaur cross the road?

It was the chicken's day off!

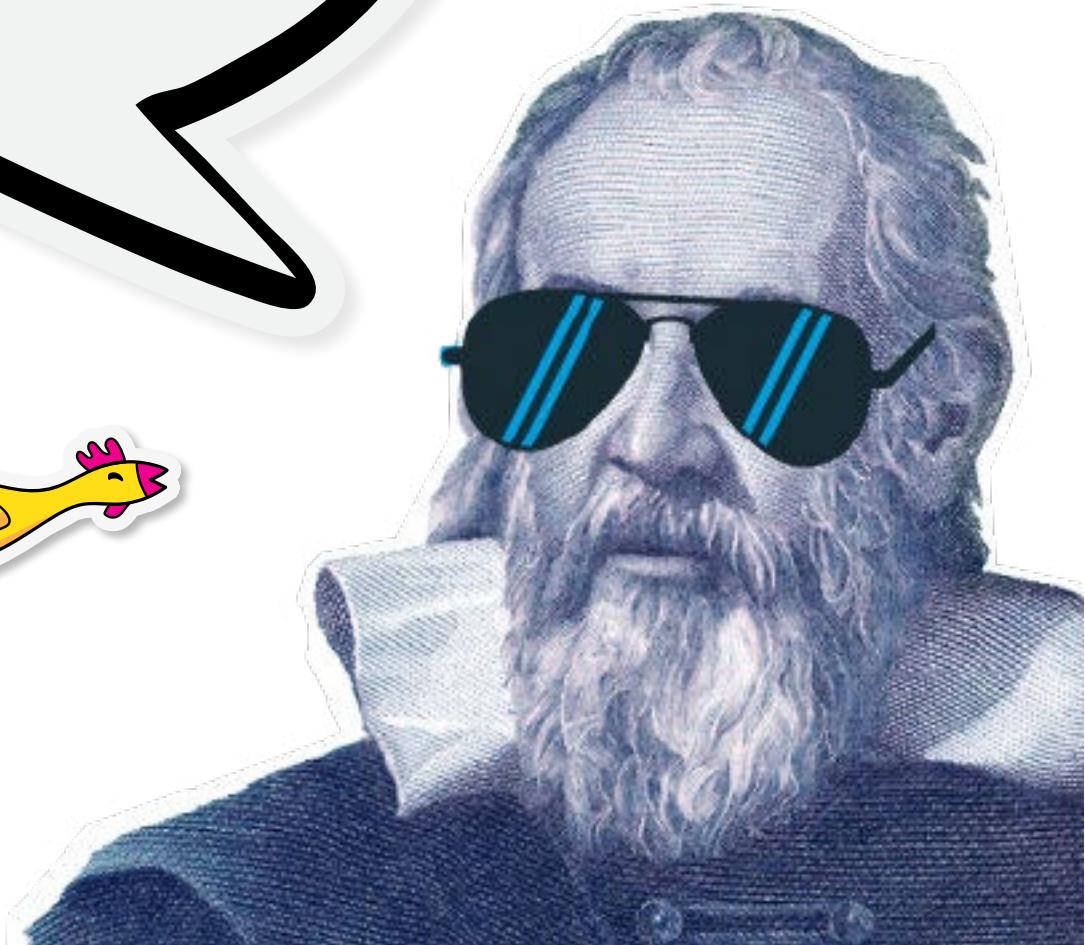

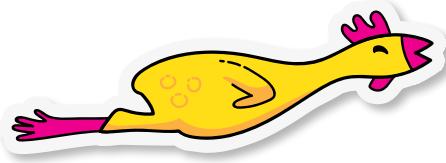

Have a joke? Submit it to rubberchicken@galileo-learning.com!

PACKET OF FUN!

BE REFLECTIVE

- Take time to reflect on what is and isn't working in their design
- Ask how their work impacts other people and the world
- Seek feedback to improve

LACIGAM REBBUR SNEKCIHC

Word Scramble

A word scramble doesn't always have to be the same amount of words as the descrambled answer! For these, words are jumbled up so the letters are out of order.

Try to solve this!

YFL EHT EIKNCCH OCOP

Number Code

Use numbers to figure out the letter in these puzzles.

Try to solve this!

18 21 2 2 5 18 3 8 9 3 11 5 14,
20 8 5 7 1 12 9 12 5 15
13 1 19 3 15 20

Key:

A = 1	B = 2	C = 3	D = 4	E = 5
F = 6	G = 7	H = 8	I = 9	J = 10
K = 11	L = 12	M = 13	N = 14	O = 15
P = 16	Q = 17	R = 18	S = 19	T = 20
U = 21	V = 22	W = 23	X = 24	Y = 25
Z = 26				

INNOVATE ON! Make some of your own codes for your family and friends to try and crack!

CODES AND CIPHERS: ANSWERS

Number Code

Use numbers to figure out the letter in these puzzles.

Try to solve this!

Key:

A = 1	B = 2	C = 3	D = 4	E = 5
F = 6	G = 7	H = 8	I = 9	J = 10
K = 11	L = 12	M = 13	N = 14	O = 15
P = 16	Q = 17	R = 18	S = 19	T = 20
U = 21	V = 22	W = 23	X = 24	Y = 25
Z = 26				

2 5 18 5 6 12 5 3 20 9 22 5

Be Reflective

Word Scramble

A word scramble doesn't always have to be the same amount of words as the descrambled answer! For these, words are jumbled up so the letters are out of order.

Try to solve this!

ESDIRGNE

Redesign

Pig Pen Cipher

Also called a tic-tac-toe cipher, letters of the alphabet are replaced by parts of a geometrical grid, like a symbol.

Try to solve this!

◻□└○ ┌☒□○ ─○□□

└─┐└─☒□ ─○└○?

◻☒☒!

Key:

A = └	H = □	O = ☒	V = ○
B = ┌	I = ┌	P = ☒	W = ○
C = └	J = ☒	Q = ☒	X = ○
D = □	K = ☒	R = ☒	Y = ○
E = ○	L = ☒	S = ○	Z = ○
F = ┌	M = ☒	T = ○	
G = ┌	N = ☒	U = ○	

What does the chicken say?

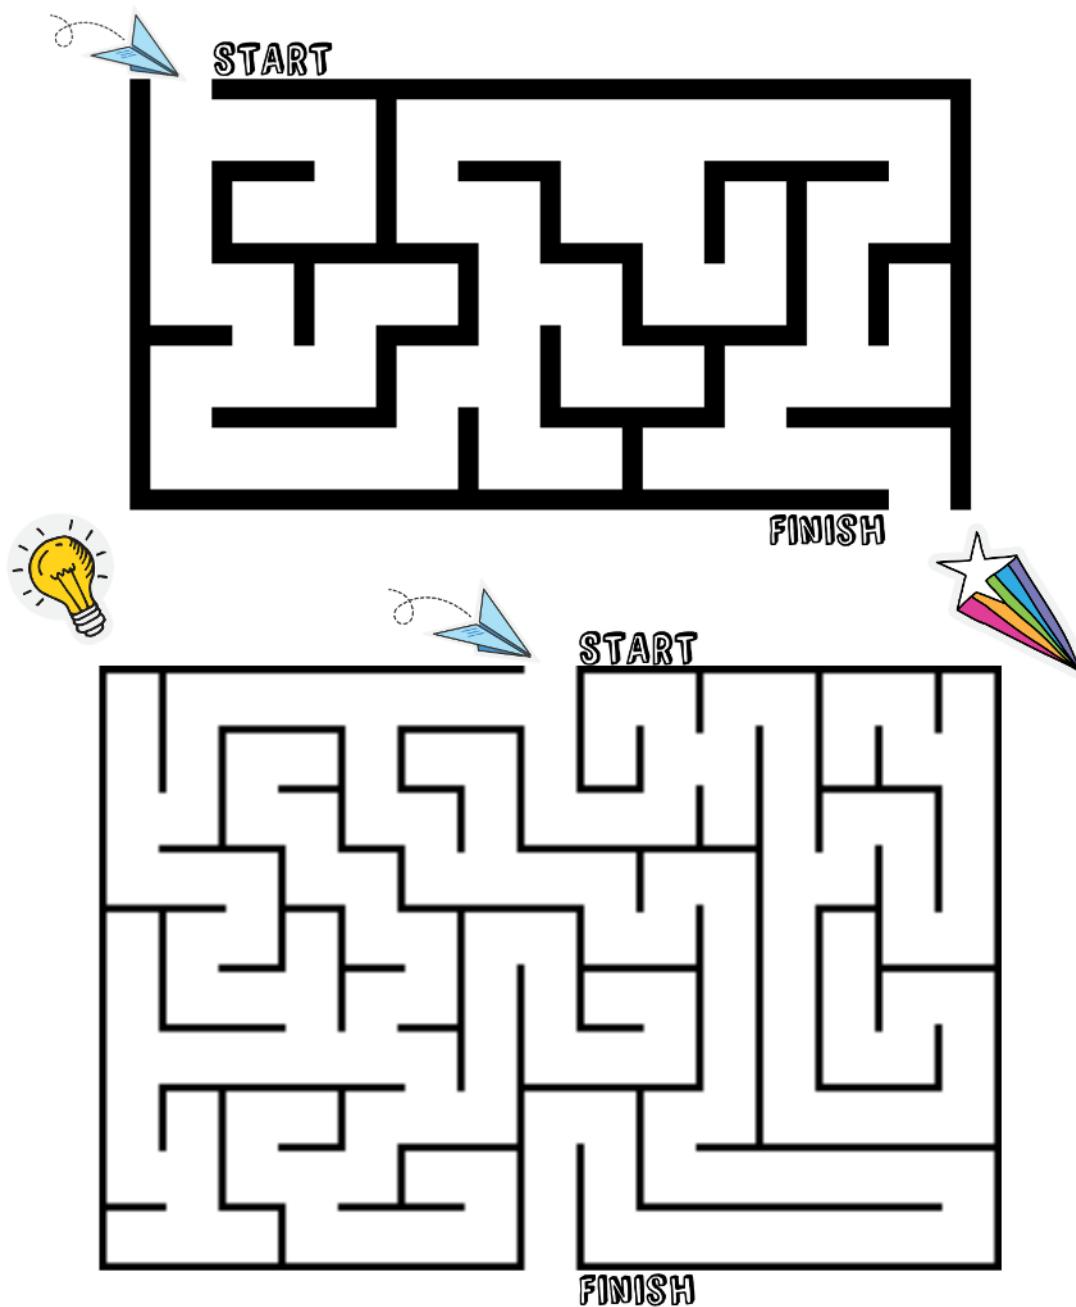

Bok!

MARVELOUS MAZES

Your Mission:

Find your way through each of these mazes from start to finish! Each one gets a little bit harder, so you may have to take a break to **BE REFLECTIVE** and redesign your path to get through.

CAMP **galileo** ANYWHERE

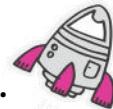

MARVELOUS MAZES

REFLECTION SKETCH ZONE

Reflecting on your challenges, successes, and designs is one of the most crucial parts of being an innovator. Use this space to reflect on your accomplishments! This can be used multiple times for multiple innovations.

MY ACCOMPLISHMENT

What am I proud of doing this week?

MY COLLABORATORS

Who helped me this week?

MY MOST MARVELOUS MISTAKE

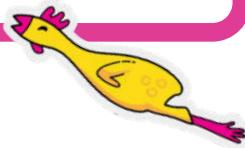

It's okay to make mistakes! What was the biggest mistake I made?

WHAT I LEARNED

What lesson did I learn from my mistake?

MY PLAN FOR THE FUTURE

What will I do next week?

Innovator's Name

Morning Vision

Today I Am Most Excited For:

This Morning I Feel

Today's Goal Is:

I am _____ because I _____ and _____.

Thought of the Day:
If you could invent something, what would it be? Write down your ideas, and sketch them to the right!

Today I Will Focus On Being...

Courageous Visionary Determined
Collaborative Reflective

...and I Will Accomplish That By...

Invention Design Sketch Space

Evening Reflection

**What Can I Do
Differently
Tomorrow?**

This Afternoon I Feel

**What New Thing
Did I Discover
About Myself?**

**Do something today that your
future self will thank you for**

**A Marvelous Mistake I Made
Today Was...**

...And It Helped Me Learn

Reflection Sketch

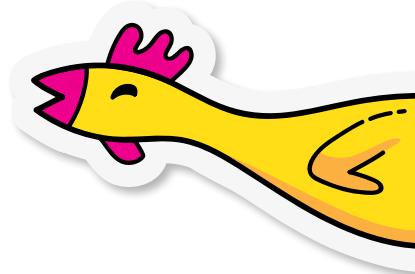

What was one awesome thing
you accomplished today?
Sketch it out!

THE WEEKLY CRACK UP

Jokes, riddles, and more—guaranteed to make even the most grumpy chicken bok!

What Am I?

I come in many different colors, and I get bigger when I'm full. I will float away if you don't tie me down, and I will make a loud sound if I break.

What am I?

Check back next week for the answer!

What goes up when rain comes down?

An umbrella!

What did the lightning bolt say to the rain cloud?

Notting... it was shocked!

What's a tornado's favorite game?

Twister!

When does it rain money?

When there's change in the weather!

Last Week's Answer: A Kite!

Children love to play with me but not inside, only out. Watch out for wires and trees, for you could tangle me! Look up and watch me dance. The faster you run, the faster I will wiggle!

What am I?

What does a cloud wear under its raincoat?

Thunderwear!

What did the tornado say to the washing machine?

Wanna go for a spin?

How do you know it's been raining cats and dogs?

You step in a puddle!

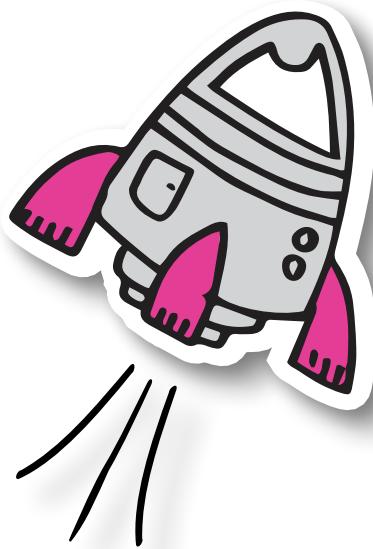

How does the cloud tie its shoes?

In a rain-bow!

Have a joke? Submit it to rubberchicken@galileo-learning.com!

CAMP * galileo ANYWHERE *

ABOUT US

Galileo's mission is to create a world of fearless innovators. We think kids who learn to explore and fail without fear are happier, more creative and more confident when faced with life's challenges. Drawing from the innovation process developed by the Stanford d.school, Galileo runs an evolving series of imagination-sparking summer camp programs for kids from Pre-K through 10th grade. We're not only inspiring a new generation of innovators—we're actively hiring and providing a platform for a new generation of innovation-minded educators and professionals. We are a local company on a global mission, and joining our team means joining a ground-breaking educational movement and an inspiring nation-wide community.
